

Department of the Army, DoD

response to the requester after coordination with the outside agency, if that agency is subject to FOIA. Otherwise, the Component must respond to the request.

(2) A DoD Component shall refer to the agency that provided the record any FOIA request for investigative, intelligence, or any other type of records that are on loan to the Department of Defense for a specific purpose, if the records are restricted from further release and so marked. However, if for investigative or intelligence purposes, the outside agency desires anonymity, a Component may only respond directly to the requester after coordination with the outside agency.

(3) Notwithstanding anything to the contrary in §518.26, a Component shall notify requesters seeking National Security Council (NSC) or White House documents that they should write directly to the NSC or White House for such documents. DoD documents in which the NSC or White House has a concurrent reviewing interest shall be forwarded to the Office of the Assistant Secretary of Defense (Public Affairs) (OASD(PA)), Attn: Directorate For Freedom of Information and Security Review (DFOISR), which shall effect coordination with the NSC or White House, and return the documents to the originating agency after NSC review and determination. NSC or White House documents discovered in Components' files which are responsive to the FOIA request shall be forwarded to OASD(PA), Attn: DFOISR, for subsequent coordination with the NSC or White House, and returned to the Component with a release determination.

(h) To the extent referrals are consistent with the policies expressed by this paragraph, referrals between offices of the same DoD Component are authorized.

(i) On occasion, the Department of Defense receives FOIA requests for General Accounting Office (GAO) documents containing DoD information. Even though the GAO is outside the Executive Branch, and not subject to the FOIA, all FOIA requests for GAO documents containing DoD information received either from the public, or on referral from the GAO, will be processed under the provisions of the FOIA.

§518.29

In DA, requests received for GAO documents that contain classified Army information will be handled by the Army Inspector General's Office.

§518.27 Authentication.

Records provided under this part shall be authenticated with an appropriate seal, whenever necessary, to fulfill an official Government or other legal function. This service, however, is in addition to that required under the FOIA and is not included in the FOIA fee schedule. DoD Components may charge for the service at a rate of \$5.20 for each authentication.

§518.28 Unified and specified commands.

(a) The Unified Commands are placed under the jurisdiction of the OSD, instead of the administering Military Department, only for the purpose of administering the DoD FOIA Program. This policy represents an exception to the policies directed in DoD Directive 5100.3 (reference (f)); it authorizes and requires the Unified Commands to process Freedom of Information (FOI) requests in accordance with DoD Directive 5400.7 (reference (b)) and this Regulation. The Unified Commands shall forward directly to the OASD(PA), all correspondence associated with the appeal of an initial denial for records under the provisions of the FOIA. Procedures to effect this administrative requirement are outlined in appendix A. For Army components of unified commands, if the requested records are joint documents, process the FOIA request through unified command channels. If the requested documents are Army-unique, process the FOIA request through Army channels.

(b) The Specified Commands remain under the jurisdiction of the administering Military Department. The Commands shall designate IDAs within their headquarters; however, the appellate authority shall reside with the Military Department.

§518.29 Relationship between the FOIA and the Privacy Act (PA).

Not all requesters are knowledgeable of the appropriate statutory authority to cite when requesting records. In some instances, they may cite neither
